Digital Sensors:

Temperature, Air Flow, Humidity, Dew Point

Analog Sensors:

Water, Door Contact, Smoke, City Power, Current, Voltage

Any standard sensor with 0-5v analog signal is compatible with ITW products

Accessories:

5 and 16 Port Splitters, POE Adapter, Standalone Power Monitor, Rack Mount Temp Sensor, CCAT Interface - a standard analog to digital signal converter

IP Network Cameras:

Video Consolidation with ITW Products, Live video stream, Two Way Audio, POE

Variety of IP cameras available

All technical support is handled by the same programmers and engineers that develop and maintain our products--NOT a scripted call center.
Rest assured of receiving proper technical support when you need it most. Call us with your questions at 512-257-1462 or e-mail support@itwatchdogs.com
